

Do you have a natural enthusiasm for the cause of Christ and the Gospel?

Would you like to know how American Baptists “do mission” in your community, your region, our country, and other countries around the world?

Would you like to help your pastor and church develop their mission potential?

Become a *Mission Advocate* for your church. Receive training and education so you can serve as a mission education resource to you pastor and congregation, providing information on American Baptist missions and missionaries. *Mission Advocates* help their congregations become more involved in the wider mission of American Baptists.

If you are interested in becoming a *Mission Advocate* please fill out the application below and mail to:
